MY CLASSIC CAR

Dennis Gage

Cruise organizers are pleased to announce that My Classic Car will be at the 2011 event. They will be filming an episode for their popular show on *SPEED*. Dennis will be attending both days of the show.

Participants are encouraged to register early as there is only room for 300 entries. Forms are available on line. Don't wait until the last minute. Remember there are three separate shows for the price of one. Make a weekend of it by attending both days, and who knows you might be one of those sharing \$1,000 in this years poker run.
